### History of Y's Men, India Area & Mid West India Region

---

#### **Y's Men International:**

#### **OUR HISTORY**

Founded in Tolendo, Ohio, USA in 1922 to support a local YMCA, Y's Men International is now oriented to serving the worldwide YMCA, the largest non-governmental youth organization, and through it the communities in which it is present throughout the world. Since the YMCA is usually known as "the Y" in the USA, and as the Y's Men movement started there as a club of "men of and for the Y", it was named the "Y's Men's Club".

Judge Paul William Alexander was the founder of the first club together with a group of young men.

However, today women also can be full members of our movement. Indeed many women are among its members and family participation is encouraged in numerous activities. This is a very important selling point in many communities. Since 1995 local affiliated clubs wishing to emphasize this openness can choose to call themselves "Y's Men and Women's Clubs" or "Y Service Clubs". Members are known as Y's Women.

During 1922 there were 17 clubs in 2 countries, in 1932 it rose to 150 clubs in 12 countries, in 1984 it was 1173 clubs in 59 countries. Today Y's Men International has over 1,700 clubs with around 31,000 members in 74 countries on all continents.

#### **STRUCTURE OF THE MOVEMENT**

##### **International**

The movement is governed by a 21-member International Council which meets annually. The International Executive officers are the International President (IP), the Immediate Past International President (PIP), the international President Elect (IPE) and the international Treasurer(IT). The International Headquarters (IHQ) is based in Geneva, Switzerland.

##### **Area**

The Y's Men world is divided into eight Areas: Africa, Asia, Canada/Caribbean, Europe, India, Latin America, South Pacific and United States of America. Each Area is led by an Area President (AP), elected in a mail ballot by the clubs in the Area. The Area Service Directors (ASDs) are appointed by the AP to coordinate the work of the respective Regional Service Directors (RSDs). They report to the respective ASD.

### History of Y's Men, India Area & Mid West India Region

#### Region

Each Area is divided into Regions, each of which is led by a Regional Director (RD) elected at the Regional Conference. Helping the RD are: the immediate past RDF (IPRD), the successor (RD Elect), a Regional Treasurer and a Regional Secretary, as well as a number of Regional Service Directors (RSDs) promoting the different programmes and projects.

#### District

Each Region is divided into Districts. A District is led by a District Governor (DG), elected at the District Conference.

#### Club

The membership of each local club may consist of men or women or both. The club is led by a Board of Directors consisting of the President, Vice President, Secretary and Treasurer as well as Immediate Past President and when necessary the Chairperson of different committees. The officers begin their term of office on 1 July and are elected for one year. To give as many club members as possible responsible tasks and to make the work more efficient, the different service tasks very often are delegated to various committees.
